

Coaches/Parents/Players:

August 2nd, 2010

The girls' soccer team at Boone County High School would like to extend an invitation to any BCYSA team to come out and see a high school soccer game. Please be our guest as any **team** in BCYSA uniforms will be given free entrance (players only). Send an email to mike.hughes@boone.kyschools.us to let me know if your team will attend a match and I will setup the details. Any team attending the matches that would like free entrance must send an email to me prior to the game.

Also, we are always looking for teams or parts of teams to "run ball" during home matches. If your team is interested in participating during a junior varsity or varsity match, please let me know.

All teams in attendance will be recognized on our scoreboard (electronic) and at halftime via the public address system.

Our home game dates/opponents are:

August 25th VS Dixie Heights @ 600/730

September 8th VS Conner @ 530/700

September 11th VS Heath High School @ 5:30

September 22nd VS Ryle @ 530/700

October 2nd (senior night) VS Calvary @ 6:00

Times listed above are junior varsity/varsity. Games with 1 timeslot are varsity only matches as the opponent doesn't have a junior varsity team. The players in the youth leagues will truly enjoy the experience of watching the older players. I believe one of the best ways to learn about soccer is watching and coaches can use this as a coachable moment. Players will enjoy hearing the team names and getting close to the action while running ball on the sidelines.

Each summer we host a youth camp for grades 1st-9th. This past summer was our biggest and we look to grow in the future. The summer of 2011 our camp will take place (June 13th-16th). I would enjoy having entire teams attend the camp or continue to increase our numbers with individual campers. Team discounts will be available and each camper will receive a t-shirt/trophy. I realize this is many months away, but as you plan with your team I hope you consider our camp and our program.

We are growing our program at Boone County High School and are always looking for ways to develop and expand our image in the community. Please let me know if there is anything I can do to be of assistance to you as a coach or member of the BCYSA.

Thanks.

Coach Hughes
